# About Us

J & E Livestock Equipment LLC is proud to be a family owned business with our main location in Waverly, Iowa, and an additional location in Alpha, Illinois. Owners, Jared and Emily Skillen, both grew up around animals and after marrying, purchased their own farm where they raise their family and a herd of cattle and crops in addition to running J&E Livestock Equipment LLC.

Jared and Emily originally started the business selling bedding shavings and then branched out to livestock fencing a couple years later, and has continued to grow the business from there expanding to add livestock handling equipment and offering nationwide delivery.

J&E Livestock Equipment LLC strives to provide top quality products and service to our customers by offering top brands built to last including Spanier Metalworks, Real- Tuff, Werk Weld, Vitalix and more.

We are family owned and farmer trusted.
